21 September 2017

Dear Parents/ Carers

We are very pleased the children have settled in so well and are already getting used to the routines in the year 1 and 2 class.

This letter is to provide some information about our class;

- Mrs Burge and Mrs Barraclough are the class teachers and Mrs Mark is the class teaching assistant.
- P.E. lessons are on a Monday and Friday and we would ask that your child's PE kit stays in school at all times, as there are sometimes opportunities for extra PE sessions or sports fun days. We will send it home to be washed during half term holidays. If your child does not have a kit they will be required to wear a spare kit.
- Reading books will be changed on Monday, Wednesday and Friday but we still encourage your child to read every night. It is perfectly fine to read the same book twice because this helps the child read at a faster pace. Please sign the reading diary to show they have read, as this is then recorded on our class chart.
- Book bags and reading diaries should be in school every day.
- Homework is given on Fridays and should be returned by the following Friday at the latest. Please sit with your child and help them to achieve their best.

Targets for this half term

Learning to read and write numbers 1-20.

Learning to write the lowercase letters of the alphabet and forming the letters correctly.

Helping your child with these targets at home will make a big difference to their rate of progress.

Thank you for your support. If you have any questions we are available most nights after school ends.

Regards

Mrs Burge and Mrs Barraclough
Class Teachers
