Dear Parents

Learning Review

This term we are holding our learning reviews on Wednesday 18th October to enable you to talk to the class teacher about your child's progress. Your child is very welcome to come along too. The teacher can talk with you and your child about their targets, behaviour and attitude and it will also provide the opportunity for your child to share his/her work with you.

If it is possible, please call into school as soon as you can to arrange an appointment with the class teacher. If you are unable to call into school an appointment will be made for you - please complete the form below.

Yours sincerely

Mr J Leck
Acting Headteacher
