

Magic Breakfast Club

“Warm as Toast”

Our breakfast club runs from 8.00-8.40am every morning in the small hall. Children must arrive before 8.20 to ensure they have time to eat. The pupils enjoy a healthy breakfast and can choose from porridge, cereals, bagels and juice. Following eating breakfast they can play football, table tennis, board games or colour and chat.

Our breakfast club is offered to all pupils free of charge but due to staffing ratios we occasionally have to restrict numbers. If you plan to use us regularly or just occasionally please complete our registration slip available from the small hall where Breakfast Club is held.

Our breakfast club is supported by Magic Breakfast a charity dedicated to ensuring every child starts their school day with the right breakfast as fuel for learning. Magic Breakfast believes no child's education should suffer for the lack of a breakfast. Magic breakfast provides us with the cereals, bagels and juice each week.
