## Simms Cross Weekly - News and Information - Issue 23 8/6/18

### Selfish Parking

Please respect the safety of our children and families in where you choose to park your car when you come to school.

It was very fortunate that a young child was not run over earlier this week due to parking and movement of cars along Charles Street.

Please DO NOT park on the zig zag lines and be considerate of others as you are driving near school.

### Being Safe Online

We have been given permission to publish guides for parents about gaming consoles and devices. They are to help in understanding the best way to keep your child safe when using any of these devices. Please check on our website:

Congratulations Tia on your writing about what you like and dislike about our school.

You wrote lots about school and it is lovely to see that you have been kind to different adults in our school.

Everyone can enjoy your writing on the back of this newsletter.

Well done Tia.
